UWMC Floor Maps for Patients and Visitors

October 2012

From BB Elevators:

On the BB elevators, go to the BASEMENT (**B**). Note that only 2 of the 4 elevators will go directly to the basement. If inaccessible, please get off at FLOOR 1 and then press down again to get to basement.

Upon exiting elevators, turn **LEFT** (as directed in the Diagnostic Imaging Sciences Center/MRI sign).

Continue down the hall. You will pass the Integrated Brain Imaging Center (IBIC) doors on the right. Please **continue down the hall until the end**.

At the end of the hall, you will see the RR elevators in the left. Please turn **RIGHT** and follow the MRI sign.

You will see double doors that will open with motion sensing. Please pass through them and turn **RIGHT** immediately.

Enter the doors.

Welcome to the Diagnostic Imaging Science Center.

From RR Elevators:

Please press down and go to the BASEMENT (B).

Upon exiting elevators, turn LEFT.

Keep going straight down the hallway as instructed by MRI sign.

You will see double doors that will open with motion sensing. Please pass through them and turn right immediately.

Enter the doors.

Welcome to the Diagnostic Imaging Science Center.
